I did confirmation today that attorney Lyle Hardman from Hunt Suedhoff will be entering his appearance. I anticipate he will respond to the discovery responses. I have litigated against him quite a bit. I would anticipate you will receive substantive discovery responses from him.

Nick:

If the extra time is going to be use to substantively respond to the discovery requests, then I am okay with the extension. Will you represent that we will receive substantive responses and not a bunch of objections?

Sincerely,

Brad

Thanks for getting back to me. I would like to request a 30 day extension for Full Tilt's discovery responses. I have a week long jury trial in Elkhart Indiana at the end of the month. Additionally, my client has been communicating with their insurance company and they may have coverage for this case. They anticipate hearing back from the insurance company this week or next. If there is coverage there may be new counsel and I would prefer they respond to the discovery requests.

Thanks,
Nick
